## Dry Farming Gongress

at Alpine, Texas.

Texas, who was in Estancia last week visiting his brother and family, spent quite a bit of his time boosting for the West Texas Dry Farming Congress to be held at his home town September 1 and 2. The Alpine people are making preparations for a great time and promise royal entertainment on the side, as well as an interesting and instructive The Bible Class meets every Lord's program for those interested in reclaiming the semi-arid lands by scientific culture.

A rate of one fare for the round trip has been granted via the Southern Pacific, which makes the fare for the round trip from El Paso about \$6.50. Mr. Crawford was very anxious to have the Estancia Valley represented at this gathering, and has left with the News editor credentials, which will seat two representatives from here, should any desire to attend. We will be glad to meet anyone contemplating going and talk the matter over with them.

Oh, there's nothing quite so maddening as a pesky, crawling flea, when the little cuss is biting in a spot you cannot see. Nothing drives a man or woman to the point where they will swear, like this hopping, frisky critter, when he's out upon a tear. We can stand the 'sketer's humming' round about our bed at night but we break the Ten Command ments when the fleas begin to bite, and we can't conceive why Noah ever had the nerve to bark when Dame Nature first suggested two fleas within the ark.—Swyped.

# TAILOR SHOP

## Now Ready for Business Again

I have been away for five months and the Tailor Shop has been closed, but I am now ready to do any kind of

Tailoring, Altering Measuring, Hat Cleaning and Blocking Ladies' Skirts a Specialty

am located at the old stand in my new building. Bring your work and get it done right. Everyone who has ever had me do any work for him, knows that he has been well pleased.

I have been representing as good a woolen house as there is in the country and in the past six seasons I have taken measures for quite a number of suits and all have given perfect satisfaction. So remember when you want any kind of a suit, Ladies or Gents, come and see my line of woolens first. Why? I cater only to the tailoring business of the town, where the other houses have a hundred other things to bother with and naturally can't give you the attention that I do. I have on display in my shop over a hundred yard-length woolens. [Come and see them at as early a date as possible.

No matter how dirty your clothes are, remember I can make them look like new ones.

Yours for business

Joe W. Pettus
